WORLD WAR II - Total Casualties: 206

NOTE: Above data was compiled from official military files, personal records and local media publications by the Joint Veterans Council of Washington County through its "Project Memorial Marker". All names were mounted on street signs with the exception of those , where data (i.e. rank, service, KIA or residence) was incomplete. The foregoing is believed to be the most accurate record of the casualties suffered by this county's citizens. Some names may have been omitted in cases where personnel were on classified missions. This project was funded through donations from veterans organizations only, including the American Legion Posts, the AMVETS, VFW, CWV (Catholic War Veterans) and the Disabled American Veterans (DAV). The eight year project completed by the 50th anniversary of the end of WWII in November 1995. Research was done by Maj. (Ret) Dieter H.B. Protsch, Secretary of the Council.

VIET-NAM WAR - Total Casualties: **16**

NOTE: Above data was compiled from official military files, personal records and local media publications by the Joint Veterans Council of Washington County through its "Project Memorial Marker". All names were mounted on street signs with the exception of those, where data (i.e. rank, service, KIA or residence) was incomplete. The foregoing is believed to be the most accurate record of the casualties suffered by this county's citizens. Some names may have been omitted in cases where personnel were on classified missions. This project was funded through donations from veterans organizations only, including the American Legion Posts, the AMVETS, VFW, CWV (Catholic War Veterans) and the Disabled American Veterans (DAV). The eight year project completed by the 50th anniversary of the end of WWII in November 1995. Research was done by Maj. (Ret) Dieter H.B. Protsch, Secretary of the Council.

The council appreciates the support and approval of both the County Commissioners and the City of Hagerstown, MD. Without their help, this project could not have been undertaken nor completed.
