City Of Cumberland
 Maryland

April 2, 1936

Colonel D.John Markey,
 Military Department,
 State of Maryland,
 Frederick, Md.

My dear Colonel Markey;-

Permit me, on behalf of the governing body of this city and its citizens, to thank you for your kindly aid and assistance rendered as a member of the National Guard to this flood-stricken city after the disaster of March 17th.

Without the aid of the National Guard, this city would have no doubt suffered tremendous losses in looting and pilfering and disorder, and it was due to them that these crimes of darkness were kept at a minimum.

Very sincerely yours

George W. Leggo
 Mayor
