DEATH LIST GROWS AS RIVERS RECEDE

Loss Estimated at More

Than \$500,000,000 with \$425,000 Homeless

By the Associated Press The flood crest of the Ohio river moved westward toward the Mis-

sissippl, Monday night, carrying destruction and suffering into new areas, as a dozen flood-torn east-ern states struggled with an im-

mense rehabilitation task. Hundreds of persons were de-serting their homes as the Ohio inundated large areas of lowlands

in the southwestern portion of the buckeye state. Dozens of villages were submerged and isolated. A re-check of the death list, as eastern rivers rapidly receded, showed 172 dead. Property damage

was estimated, unofficially and of-ficially, at more than \$500,000,000. More than 425,000 persons homeless. 15 States Want Federal Ald

In Washington, members of Congress from fifteen states voted in favor of a joint congressional study of food conditions, shortly before seven bigh Works Progress Ad-milistration officials, left knowledly for flood areas. Senator Guffey (D-Pa.) prepared to introduce two bills to provide appropriations totalling \$68,578,000 for permanent flood control pro-grams in the Allegheny and Sus-

At Hartford, Conn., insurance capital of the nation, 1,000 national guardsmen continued on duty to prevent looting. The damage there was estimated by business men at \$25,000,000. A committee of experts set the
